

**PERSONALISE:**

To personalize this printable you will need to have the LATEST version of Adobe Reader installed on your computer. You can download a free copy of this program at <http://adobe.com/go/reader>

Download the editable pdf and save to your desktop, then open the document in Adobe Reader and start typing in the space provided! Then save your changes and print out.

You will only be able to enter your numbers and letters in the password field. You cannot edit/personalize this collection on an iPad, iPhone or other mobile device.

**PRINTING AND PAPER:**

This printable has been designed to print on your home printer. It is A4 size. Use regular copy paper or thicker card stock to print this.

**USING A MAC? PLEASE NOTE:**

If using a Mac, you will need to open and edit this file in Adobe Reader only and NOT Mac's default PDF viewer called Preview.

**DIY WI-FI PASSWORD PRINTABLE**

Print out on A4 paper, cut out, add your wi-fi password in the space provided (instructions above). Then insert into a frame, fits a 10 x 15cm frame. Designed by [tomfo.com](http://www.tomfo.com) Visit [www.tomfo.com](http://www.tomfo.com) for more creative ideas.
